

Dear Smithson Valley Lacrosse Supporter,

Smithson Valley Lacrosse (SV Lax) represents over 150 families in our community with boys AND GIRLS from kinder all the way through high school. Lacrosse is one of the FASTEST growing team sports in the U.S.

Unlike most of the sports our youth play, lacrosse **is not UIL** recognized in Texas yet and thus not an official UIL sport in any Texas public middle or high schools. That means for our kids to be able to play lacrosse, it must be a club sport for the time being.

In order to keep our fees as low as possible, we rely on sponsors and fundraising efforts to help reduce the expenses for necessary equipment, coaches, fields, lights, etc.

Supporting SV Lax is a great opportunity to give back by helping the youth of our community. In return, you'll receive great advertising and promotional opportunities from signage at our facility at Jumbo Evans Sports Park, our website, social media, print material, and other media!

The mission of SV Lax is to foster a life-long enjoyment for the game of lacrosse for youth (k-12) boys and NOW girls (high school and middle school), residing in the Bulverde, Spring Branch, Blanco, Canyon Lake and New Braunfels areas. Primary focuses include teaching fundamental skills, essentials of team play, proper physical conditioning, and good sportsmanship both on and off the field. Through its coaching staff and volunteers, SV Lax encourages players to develop a positive attitude, self-discipline, respect for others, and commitment to the success of their team and club.

Smithson Valley Lacrosse Club is a 501(c)(3) organization and depends on the generosity of the community to provide this opportunity for our youth. Any support you are able to provide is **greatly appreciated!**

Please review and complete the attached sponsor form and e-mail it to us as soon as possible. Please let us know if there is anything else we can provide to assist your with your decision.

Thank you for your consideration,

Damon Thorpe
